APPENDIX B-85

NSN AUTOMATIC RECORDING OF USER INTEREST CARD

1. This transaction is automatically generated upon determination that
user interest adoption action has been initiated or that review and
referral action is required. These actions are forwarded to the
Management Support Offices (MSO) within each Directorate of Supply
Operations (DSO). Refer to chapter 46, appendices B-85, C-9, D-13,
E-528 P, and F-83.

2. The following are the fields in this transactions:
